**Response to Notice of Non-Compliant Amendment**

Hon. Commissioner of Patents  
and Trademarks  
Washington, DC 20231

Dear Sir:

Applicant received a Notice of Non-Compliant Amendment dated June 6, 2002 with respect to the above-identified patent application. A copy of this Notice is enclosed. Inasmuch as the Notice was completely blank, and further since the applicant was unable to determine from the Examining Attorney the reason for the mailing of the Notice, applicant encloses herewith a clean copy of the claims amended by the Preliminary Amendment filed on March 19, 2002, which clean

copy was enclosed with the Preliminary Amendment. If the Notice was, in fact, directed to another problem with the Amendment, applicant respectfully requests that the Examining Attorney contact the undersigned directly in order to expedite the examination of this application.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'James G. Coplit', written over a horizontal line.
